## Thank You!

My deepest appreciation to everyone for their prayers and many phone calls for Jay Johnson's illness. Encouragement for recovery and wellness is very welcome. The prayers of many have sustained us during all this time, 6 days of illness, 2 months of hospitalization, 20 days on a respirator and now the rehab. Many blessings for each of you.

Joyce J. and family

Want to thank those who have given me used cards and new cards, stamps and money for stamps. So appreciate all the help to make someone happy.

Many thanks, Joyce J.
